

Embrace

Wolverhampton Sexual Health Service

Embrace is the new name for **Wolverhampton Sexual Health Service**. We offer a free service that is confidential and non-judgemental. It is available to people of all ages, genders and orientations.

We can...

- Offer advice and information about sexual health.
- Test for and treat sexually transmitted infections (including HIV).
- Provide all types of contraception, including pills, injections, implants and coils.
- Provide emergency contraception.
- Provide free condoms to all.

Where to go?

Everyone is welcome, and patients don't need to see a GP first - simply attend a walk-in clinic or make an appointment at a time that suits.

We provide services from a number of locations across the city of Wolverhampton.

For information about all the services available or to book an appointment please phone **01902 444444**.
